

Parking:

Parking in the center of city is **impossible** in practice !!!

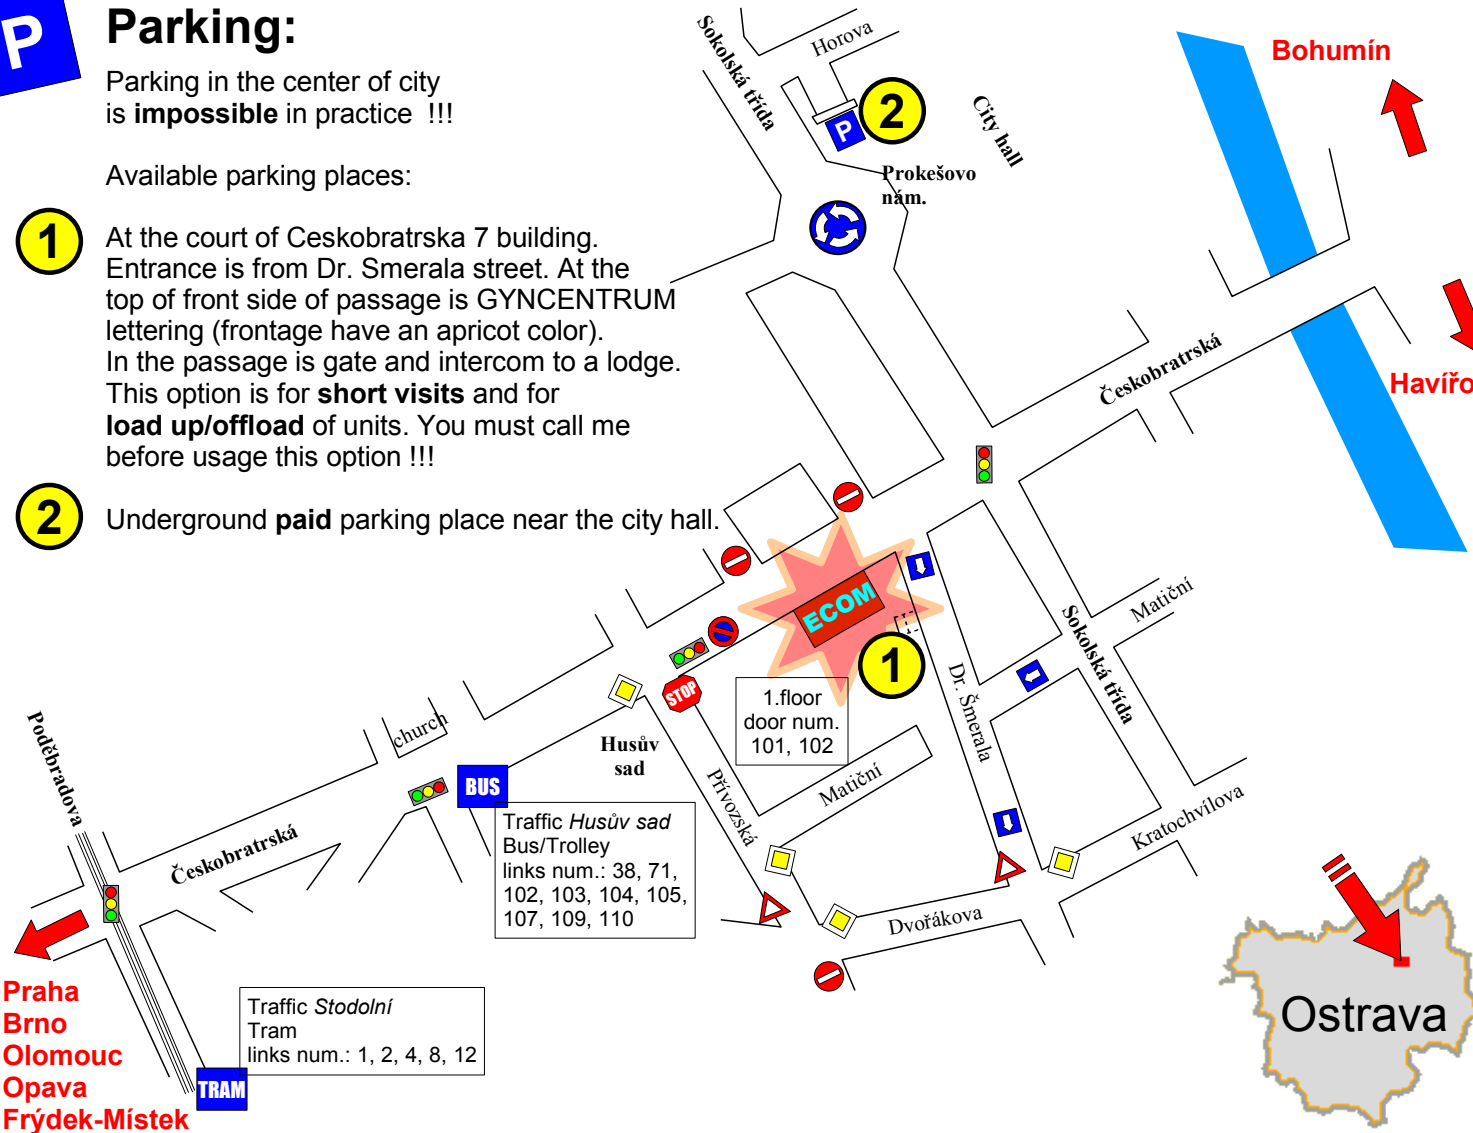

Available parking places:

1

At the court of Ceskobraterska 7 building. Entrance is from Dr. Smerala street. At the top of front side of passage is GYNCENTRUM lettering (frontage have an apricot color). In the passage is gate and intercom to a lodge. This option is for **short visits** and for **load up/offload** of units. You must call me before usage this option !!!

2

Underground **paid** parking place near the city hall.
